

PM Pick up Info and Beat the Wait Suggestions (Dismissal at 2:45)

Please pull as far forward as possible in the pick-up lane.

- If there is room in another lane, please do not block the entrance to the big lot. If cars cannot gain access to the pick-up lanes, the entire process is slowed.

If you end up at the back of the line, it may help to walk to the front so that your child knows that you are waiting.

- Students can use their cell phones after school; call them and let them know you are here.

Your children need to wait with their carpool as a group. When one person is missing, the entire carpool must wait.

- If your carpool is not ready to go home, if asked to go around, please circle around so that the loaded cars behind you may leave.

Parents may pick up their children at Lickton Field across the street from the school. HOWEVER, the only crossing guard is at the round-about.

- Students do not have to be picked up until 3:30 (miss the backup).
- The YMCA provides after school care until 6:00 pm.
